## Workforce Info

### False Pass

False Pass is a second class city located on the eastern shore of Unimak Island, on a strait connecting the Pacific Gulf of Alaska to the Bering Sea. False Pass is part of the Aleutians East Borough.

- ♦ The estimated population for 2008 was 39, a loss of about 25 since the 2000 Census.
- ♦ About 69 percent of the resident population 16+ years old worked in 2008.
- ♦ Financial Activities and Local Government were the main industries in 2008, each employing 28 percent of the area's workers.

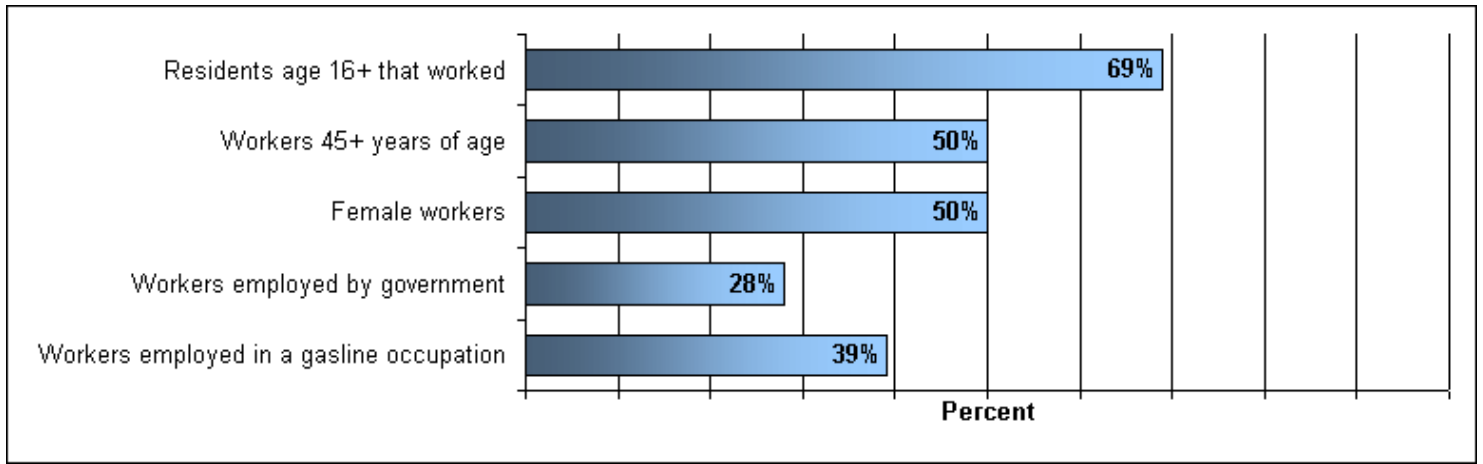

Please note: There is an important distinction between the local/regional employment data and our "standard" employment series. Most of these data reflect totals for area residents only. Total worker counts may be lower than expected in areas with a large number of nonresident workers. The Alaska Permanent Fund dividend file is used to determine the worker's geographic residence. Only Alaska residents (as defined by PFD application) are included in these totals. Also note that federal employees, the military, and the self-employed are not included in these data.
